Episode 6
Knights of the Apocalypse

BAOM BAOOOOOM

ACCORDING TO THE NAZI RADIO TRANSMISIONS, THE BLACK KNIGHTS HAVE BEEN SURROUNDED.

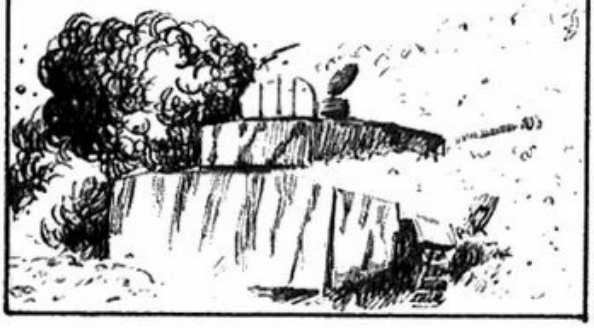
WHAT, WHERE!? WERE THEY CAUGHT YET!?

CALM YOUR HORSES. I DON'T KNOW THE DETAILS BUT OUR ARMY'S SUCCESSFULLY PUSHING THE GERMANS BACK AND THEY'RE EITHER RETREATING OR HAVE BEEN ENVELOPED.

DAMN THE BLACK KNIGHTS! MY ENTIRE COMPANY WAS WIPED OUT THANKS TO THEM! I SWEAR UPON BABA YAGA I'LL KILL EVERY LAST ONE OF THEIR MEMBER!

The German defensive lines on the Eastern Front had crumbled in light of the renewed Soviet offensive. The once fearful aura of the great German army was now nowhere to be seen.

The Soviets were now familiar with all the ins and outs of German blitzkrieg tactics,



And combined with Soviet superiority in supplies and manpower, the German defensive lines were gradually overcome.

8th Company Battle Logs

It's been 3 days since we've lost communications with our main forces. The main body of the Soviet army passed right through our current location and penetrated our defensive lines, leaving two Panzergrenadier battalions, the surviving remnants of one Luftwaffe Field Division, Delta Command and our 8th Company completely surrounded in enemy territory. The end is near. We'll either die fighting or be forced to surrender.

LT. COLONEL, WE MUST MAKE A BREAK FOR IT.

I KNOW, BUT...!
WE MAY HAVE BEEN ORDERED TO STAND OUR GROUND AND DIE FIGHTING 3 DAYS AGO BUT THAT'S ALL MEANINGLESS NOW IN LIGHT OF THE CURRENT SITUATION.

...LT. BAUER, I'M HANDING COMMAND OVER TO YOU. LEAD THE MEN OUT OF HERE IF YOU CAN. MEANWHILE, I'LL STAND MY GROUND HERE WITH THE INJURED WHO CAN'T MOVE.

TAKE THIS TO MY FAMILY, PLEASE.
A little past midnight, we began the preparations for our great escape.
The lightly wounded gathered themselves around the armoured vehicles and awaited the signal.
Wielding bayonets, our assault squad rushed towards a Soviet warning line.
The red and white lights were the signal. Our secret code was "freedom."

CORPORAL, YOU'LL SOON BE IN PEACE. WE'LL GET TO YOU TO A FIELD HOSPITAL IN NO TIME...

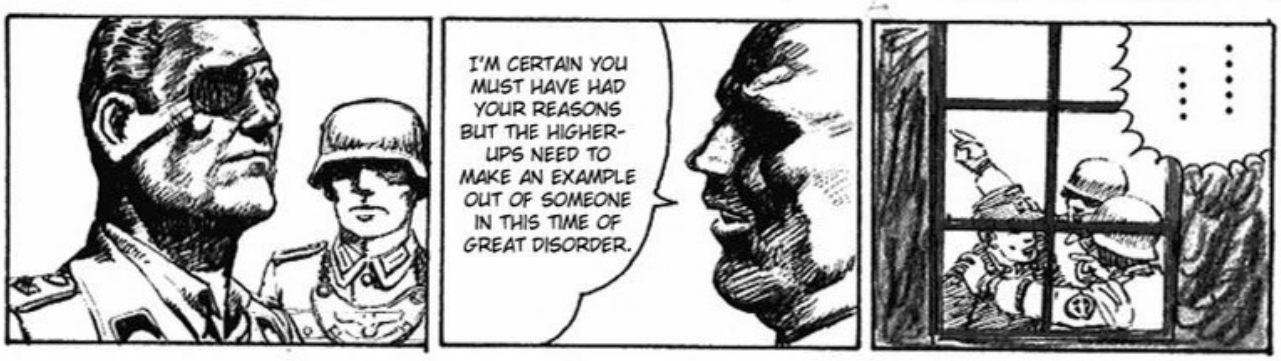
THE 8TH COMPANY REPORTING BACK WITH 9 TANKS AND 45 MEN, SIR.

LT. BAUER, THIS IS AN INFORMAL COURT-MARTIAL. NOT ONLY DID YOU DISOBEY ORDERS TO STAND GROUND, BUT YOU'VE ALSO WILLINGLY DESTROYED SOME NEW MAULTIERS.



I'M CERTAIN YOU MUST HAVE HAD YOUR REASONS BUT THE HIGHER-UPS NEED TO MAKE AN EXAMPLE OUT OF SOMEONE IN THIS TIME OF GREAT DISORDER.

YOUR BLACK KNIGHTS ARE HEREBY DISMISSED UNTIL FURTHER NOTICE. YOU AND YOUR MEMBERS ARE TO JOIN A TANK-DESTROYER BATTALION.
